

THE KITCHEN-MATE

Cuts, washing, chops and peels. Simply insert the ingredients, press the button and the Kitchen-mate will do the rest!

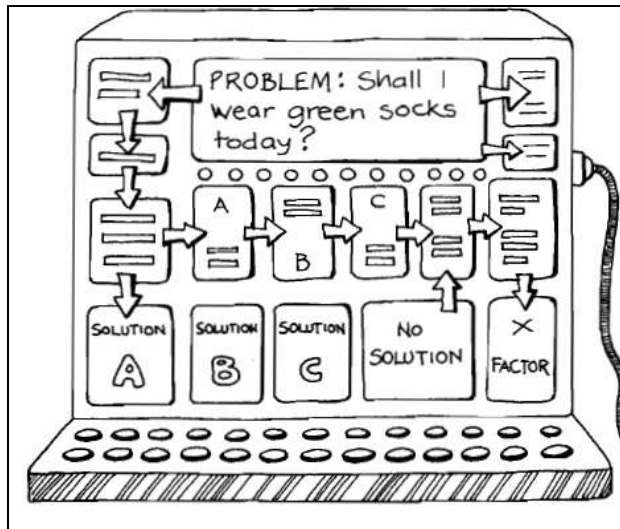

Ideal for busy parents and people on the go who want to eat healthily without all the stress.

THE INSTA-LEARN HEADSET

Learn anything in less than an hour! Simply insert the correct programme card, put on the headset and then wait for the knowledge to come! The machine comes with 5 inbuilt programme cards and many more can be bought online.

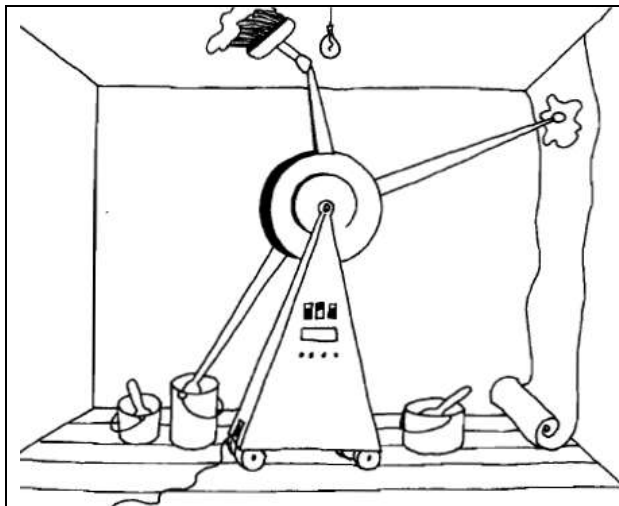

Warning: may cause headaches. Repeated use may cause irreversible brain damage.

THE CHOICE-O-MATIC

Do you have a problem that needs solving, or a dilemma you can't resolve? Tell the Choice-o-matic and it will do your thinking for you, leaving you free to go about your daily life without any stress.

Using powerful mathematical algorithms, the Choice-o-matic will make the best choice for you 99% of the time!

PAINT PAL 9000

Painting need never be a chore again with the new Paint Pal 9000! Simple pour the paint into the reservoir, programme the size and shape of your room using the easy to use in-built software and then leave the room. The Paint Pal 9000 will do the rest!

It can paint any room of up to 50m² in less than one hour.
